HAPPY CUSTOMERS IN OVER 25 COUNTRIES

Mr. Mohd. Kotb – H2GoTravel, EGYPT

Ingenium Softech's "TravayooCloudplatform" have everything we wanted to manage our B2B hotel supplier business. Their teams are highly supportive, always available.

Mr. Nabeel – Travelzy Al Mosaid Travel, SAUDI

Ingenium's System have been supporting our B2B travel business for our holidays division, enabling us to generate good volumes even. System has got great features to support our requirements.

Mr. Ismail Mansour – iBookGetway, DUBAI

With good system we also wanted a non-time support, as an established company into travel wholesale business. Ingenium's team and system both working great for us. Thumps - up to them.
